STUDIO ARTS      Unit 1      Areas of Study and Outcomes

Students investigate sources of inspiration which generate creative activity and the exploration of a wide range of materials and techniques. Students will maintain a visual diary; work will be set and negotiated.

Assessment will be based on folio work.

STUDIO ARTS      Unit 2      Areas of Study and Outcomes

There will be an emphasis on research and the design process used by artists, methods used to create and evaluate art works.

Assessment will be based on the depth of research and record keeping and its application to set and negotiated work. There will also be a written presentation.
